Principal's Note

We are so fortunate to have such talented teachers at Sunset View! Our faculty spends many hours working to assure students receive excellent instruction in nurturing environments. You have an opportunity to recognize one of our amazing educators by nominating a teacher for the Golden Apple award. You can fill out a nomination form in the office or at Parent Teacher Conferences. Thank you for the support you offer our teachers!

Anne-Marie Harrison

Parent Center

Are you looking for books on discipline? Need more information about English classes? Do you want to check out some learning games to use with your children? Come to the Parent Center! We have lots of books, games, and information to share with parents. Also, if you were unable to come to Make It Take It, we have several games left over that you can get here. The Parent Center is located in the portables and is open every day from 12:00-1:00.

Boundary Changes

If your child is not in Sunset View's boundaries for next year and you wish to have your child to attend Sunset View, please make the request at the district office as soon as possible. The district is now in the process of compiling student lists and choice requests are being processed.

Lunch Charges

We are no longer able to charge student lunches/breakfasts when there is not money in student accounts. The lunch secretary will stamp students hands with a reminder when the account balance is \$4.50 or lower. Please feel free to call Mrs. Bushman to check on account balances. If students do not have money in their accounts, they will call home so parents can bring a lunch to school.

Online Math Help

Are you looking for resources to help your child with math? Our school has a link on our website that links you to Pearson, an online component of our new 3-6 grade math program. You'll find fun games that help kids practice important concepts. Click on 'Pearson Online Math Information' on our website to go directly to the site.

Kindergarten Registration

We will register students who will be kindergarteners next school year on April 2. If you have a child who will be 5 years old by Sept. 1, please come and register them for school. Please bring: the child's birth certificate, immunization records, and proof of address. Thank you for helping to pass this word on to parents who don't receive this newsletter.

Parent Teacher Conferences

Please plan to attend Parent Teacher Conferences on Thursday, March 27. These are short sessions; if you would like a longer, more private conference, please contact your child's teacher to arrange a meeting at another time. The assigned times are as follows, but if you can not attend at your time, please come at another time.

<u>Student's Last Name Begins With:</u>	<u>Conference Times:</u>
A, B, C, D, or E	2:15-3:15
F, G, H, I, or J	3:15-4:15
K, L, M, or N	4:15-5:15
NO CONFERENCES	5:15-6:00
O, P, Q, R or S	6:00-7:00
T, U, V, W, X, Y, or Z	7:00-8:00

District Choir Performance

On Tuesday, March 11th, the Sunset View Singers (our 4th-6th grade choir) will be participating in the Provo School District Choral Festival. The concert will begin at 7:00 P.M. at the Provo Tabernacle. Our singers have been working hard, and would love your support at the concert. All are invited to attend.

Book Fair

The semi-annual Book Fair will be here from March 24-28, including during Parent Teacher Conferences. There will be a special Parent Preview on Friday, March 21 from 7:50-3:30—a great time to find a book for Easter!

Afterschool Program

The applications for Term 4's Afterschool Program will be sent home on March 3, and will be due March 10. Notification will be sent home on March 18, and Term 4 will begin on March 24. New applications need to be submitted each term.

Email to Staff Members

The district's email filter sometimes blocks emails from parents. If you do not get a response from an email, please call the staff member. When we know an address is blocked, we can change the filter to allow a certain email address to enter the system.

Congratulations!

Congratulations to Mrs. Barney, one of our talented third grade teachers, on receiving the Provo Foundation grant. She received a cash award which she is using to buy books for her classroom library. We are grateful to Mrs. Barney and our wonderful faculty for all their great work.

Recognitions

Congratulations to our wonderful students and volunteers of the month!

Kindergarten: Ryan Landefeld
First grade: Cristian Rodriguez
Second grade: Abbi Arns
